## Instructions-

Mix together until blended: 1 block Translucent, 1/4 block Tropical Green, 1/4 block Metallic Gold.

1. Create a form from cardstock the same diameter of the candle. Use tape to secure. Remove from candle.
2. Flatten mixed clay to the #7 thickness on pasta machine. Cut a strip that is slightly wider than the Rollagraph® stamp. Roll pattern onto clay. Tear edges of clay with fingers. Wrap around form and bake in a pre-heated oven for 20-30 minutes at 265°F (130°C).
3. Flatten Sahara clay to the thickest setting on pasta machine. Stamp in word of choice. Tear around edges. Poke a small hole on both sides of word for twine then bake.
4. Allow to cool. Apply burnt umber to all areas of candle wrap and words. Wipe off excess allowing paint to remain in crevasses. Apply small amount of Rub 'n Buff® Gold Leaf to highlight areas of choice. Place candle wrap onto candle. Thread twine through holes on word and knot. Wrap around candle and thread through hole on opposite side. Knot. Cut off excess twine.

## Rocks

5. Roll remaining clay into rock shapes. Stamp with words from alphabet stamps. Bake and antique as above.
