

A Pair-O-Bears

Panda and Polar Bear
by Linda Peterson,
Ozark Missouri

Materials:

AMACO® SuperDough™ — White,
Blue and Red

Black Acrylic Paint

Small paintbrush

Water

Toothpick

craft glue (optional)

Instructions:

Please provide adult supervision
for children to avoid injury.

Dab a tiny amount of craft glue to
each joint to secure if desired.

This helps when drying to keep
arms and legs from detaching.

continued on back...

POLAR BEAR:

Body:

1. Roll a 1" ball of White SuperDough™ into a cone shape, press flat against hard surface.

Arms and legs:

2. Roll four 3/4" white balls into logs. Roll one side of the log to make it thinner. Press in the thick end with thumb to create feet and paws. Press legs to body and arms to each side. Add paw marks with toothpick.

Head:

3. Roll a 3/4" ball of white. Press a toothpick into neck area. Press ball over toothpick. Roll two tiny balls. Add to head for ears. Roll a 1/4" ball and shape into a triangle. Press to front of face for snout. Roll a tiny ball for nose. Add nose to face. Poke holes for eyes. Paint nose black when dry.

Scarf:

4. Mix white and blue clay together until almost blended. Roll a log and flatten. Wrap scarf around neckline.

PANDA BEAR:

Follow same instructions for polar bear with the following exceptions:

Add four tiny balls to feet for toes.

Paint Ears, eyes, nose and toes black when completely dry.

Candy Cane:

Roll white and red log. Twist logs together. Shape into candy cane and add to front of panda under arms.
