## Instructions:

1. Remove handle of purse. Tear paper sacks into pieces and decoupage to outside of purse. Allow to dry. Randomly dab Lumiere metallic paint to entire purse. Allow to dry.
2. Cut a 3" piece of Fun Wire™. Punch two holes in bottle cap. Thread wire through holes.
3. Flatten half package Gold FIMO® Soft to approximately 1/8". Stamp on designs. Tear to an irregular shape. Dust baby powder into moon mold. Press a 1" round ball of Gold FIMO® Soft into face. Remove. Place into bottle cap. Bake at 265°F for 30 minutes. Allow to cool. Rub with Rub 'n Buff® to highlight stamped design. Apply glue to face and sprinkle on tiny glass marbles.
4. Cut two pieces of WireForm® Armature Wire, 8 inches and 4 inches in length. Loop and swirl as desired. Hammer flat.
5. Dab Lumiere paint to photo mount. Add word. Apply glue to mount on corners. Add tiny glass marbles. Allow to dry.
6. Collage together as shown in photo.
7. Remove beads from purse handle. Wrap Fun Wire™ around handle using loops and swirls. Twist bottle cap wires around small armature wire embellishment. Add fibers. Twist around top of handle. Screw handle back into purse.
